Legal description to DOR

Associated applications

10B-45-05 PURPOSE AND AUTHORITY. Annexations shall be processed according to the provisions of the Oregon Revised Statutes, The Comprehensive Plan and provisions of this Title. The inclusion of land within the urban growth boundaries as shown on the comprehensive plan shall be evidence of the annexability of the land if other statutory criteria are met, and therefore no land hearing on the subject of annexability need be held.

10B-45-10 INITIATION OF ACTION. When a person, authorized by statute, wishes to extend the city's boundaries, an application on forms supplied by the city shall be filed with the Planning Director and which include: annexation consent forms, by the property owners, and by tenants if required by law or court decision; request for a change in zoning map designation, or plan change if required; request for other quasi-judicial action if required; fees, and other exhibits and requirements for a quasi-judicial action as set forth in this Title. All land use actions associated with the annexation shall be consolidated, as feasible, and one fee paid.

10B-45-15 HEARING DATE, NOTICE, DECISION. When the Planning Director receives a complete petition for annexation, he/she shall determine if annexation is in harmony with the comprehensive plan and if the accompanying documents are in compliance with the statutes. If the petition is in compliance with the plan and statutes, the Planning Director shall transmit the annexation question to the City Council for preparation of an ordinance and advertising of a public hearing.

The Planning Director shall advertise a public hearing on the quasi-judicial change of the zoning map as specified in Title 10A and 10B. If the requested zoning change requires a legislative plan change, the Planning Director shall set hearing dates and advise D.L.C.D. as set forth in this Title for legislative plan changes. Each constituent action in a consolidated action shall be decided and subject to appeal according to the procedures set forth in this Title for each type of action.

10B-45-20 AGENCY COORDINATION. Within ten days after the effective date of the annexation proceedings, the City Recorder shall submit to the Oregon Secretary of State one copy of the annexation ordinance, a copy of the statement of consent of landowners in the territory annexed; a description of metes and bounds or legal subdivision, and a map depicting the new city limits. Similar exhibits shall also be sent to the Malheur County Assessor, Malheur County Clerk, Malheur County Planning Department, and the Center of Population Research and Census at Portland State University. The map of the new City limits shall be sent to all local utilities and to the Fire and Police Departments.

OMC 8-12-9: Charge Imposed. Annexation Charge. On any parcel of land annexed to the City after the effective date of this chapter, a two cent (\$.02) per square foot charge shall be imposed on the gross land area annexed at the time of annexation. (Ord. 2391)

Note:

Any property under consideration for annexation must also receive a City zone. If the applicant(s) and/or property owner(s) and City staff are in agreement over the new zone, the City will initiate a zone change application as part of the annexation. No other forms are required.

If the property owner requests a City zone that is other than that suggested by staff, or is not in conformance with the Comprehensive Plan, the applicant shall file a separate Rezone application, along with the requisite fee.

Annexation applications go directly to the City Council. However, the application must first go to the Planning Commission for a recommendation on the new City zone. Applicants should allow approximately two months for an application to be processed by the City; please allow additional time for County and State processing. An annexation is not a land use decision and is not appealable to LUBA.
